

HONORS

LIVING LEARNING
COMMUNITIES

The Honors LLC is the residential hub for members of the Honors Program, which creates opportunities for high-achieving students to build a sense of community and transition smoothly to campus life. Research shows that students learn better together in community settings, in shared spaces and through shared academic experiences. Students in the Honors LLC don't have to worry about the balance between getting good grades and making good friends. They do both.

WHO CAN JOIN?

Smart, engaged, friendly students in the Honors Program

CLASS TAKEN IN THIS LLC:

Honors-identified courses
